

## **HOW TO ADD YOUR RESULTS TO THE PLAY-CRICKET SITE**

N.B. Results should be added by the Monday after the match.

Go to your club's play-cricket site – this is linked from the club page in the Sunday League web site.

You will need to be added as a results administrator by the main web administrator for your club's site. (or use his/her login and password)

Login in – Select the Admin Button below your login.

Go to Results on the left hand side of the screen

Find the match – usually last week or find the correct date and team

Go to e (picture of page and pencil) to enter result.

Check all the details and input the results,

Enter, - Ground, who won, who batted first, runs, wickets, overs and highlights (if required).

### **SAVE!!!**

You may wish to also enter a scorecard for your club's interest – this is not necessary for the results.

Click to confirm the result.

The results will be confirmed on Tuesday – and will appear that evening – the tables will be updated.

Any problems please phone results to: 01905 –774210 or e-mail to:
